Counting Offerings – Help Needed

We are looking for some additional people willing to do weekly counting of offerings – would you be interested in helping? We currently have 5 teams so it is once every 5 weeks, but we are looking for another 4 or 5 teams which would result in being scheduled to count once every couple of months. We have experienced counting teams who would gladly train new counting teams if anyone is interested. Please let us know, thank you!

Register today for the Everyone Outreach workshop!

Good Shepherd is participating in an exciting new program called Everyone Outreach. The program will help us build a culture of outreach so that every ministry and every member is encouraged and equipped to reach the lost in our community. Everyone Outreach kicks off with an interactive workshop on November 9th from 9am to 2:30pm with a free light lunch provided. Each participant will leave the workshop with sustainable ways to personally help build our congregation's outreach culture. Register for the workshop by using this QR Code.

Visit everyoneoutreach.com or contact Jennifer Pope at office@gsholmen.org. We encourage every member of our congregation to attend the workshop and participate. In fact, the more members that attend, the more likely it is that our culture shift will be successful!

New Beginnings Speaker Rescheduled

The speaker from New Beginnings that was scheduled to be here today to talk about our Sunday School mission focus had to cancel and is rescheduled for Sunday, November 17th. We will be keeping the crib up for donations through the end of October if you would like to help in this way. Thank you to those that have donated items already, it is much appreciated.
