A GOD-LIVED LIFE: A life of being a disciple

This month, the particular focus of the God-lived life is that of being a disciple, a learner, one who grows in God's Word. May God's Word cause us to crave that pure spiritual milk so that by it we grow up in our salvation.

Our challenge card this month will focus on *growing and learning in God's Word*. What's your biggest motivation for spending time in God's Word? What's your biggest obstacle to spending time in God's Word? What can help you overcome that obstacle? How can you build Bible study and prayer time into your regular routine?

How will we commit to the challenges? As individual members, we are going to fill out a different challenge card each month. This will help to involve our entire family of faith in the challenges and help us encourage each other in the challenges.

At the end of one of the worship services in each of the months of September through December, we'll hand out the challenge cards for that month and then allow confirmed members to fill out the card on the spot and bring it home. The service will be shortened to allow for this time at the end.

May God bless the coming weeks as we commit to living a God-lived life of discipleship!
